Guidelines:

There is a short presentation in the morning session and then you are invited to chair the meeting of your topic group in the afternoon. Finally you will be able to present feedback from your group at the end of the day.

For continuing topics

[James Cilia, Dorte Sidelmann, Steffi Engert, James Uhomobhi, Sarah Hayes]

You will have approx. 15 minutes so please prepare a 10-minute presentation and allow 5 minutes for questions/discussion. After the first presentation we will have a longer discussion about e-learning allowing participants to contribute.

For new topics

[Andrew Rothery, Yves Epelboin, Raquel Morales, Mikkel Godsk]

You will have approx. 20 minutes so please prepare a 15-minute presentation and allow 5 minutes for questions/discussion.

You will have a computer with internet access and data projector.

Do please contact eunis-eltf@um.edu.mt should you have further requirements for your presentation.

Also kindly allow the organisers to keep a soft copy of your presentation (preferably in *.pdf format) so it can be added to the event web site afterwards.
